An Expression of Appreciation from John & Susan Loor

On behalf of Susan and myself, I want to express our sincere appreciation to the members of the Montana Conference and friends across North America for the many prayers that were offered on my behalf during my recent surgery and recovery. Thank you so much for the many cards, flowers and e-mails that were sent. Your love and support were truly felt. I still have a couple of months before I'm 100%, but God is good and I am getting stronger every day.
